

Sunny Garden

Page 1 / 6 - The sunflower (the most important one!)

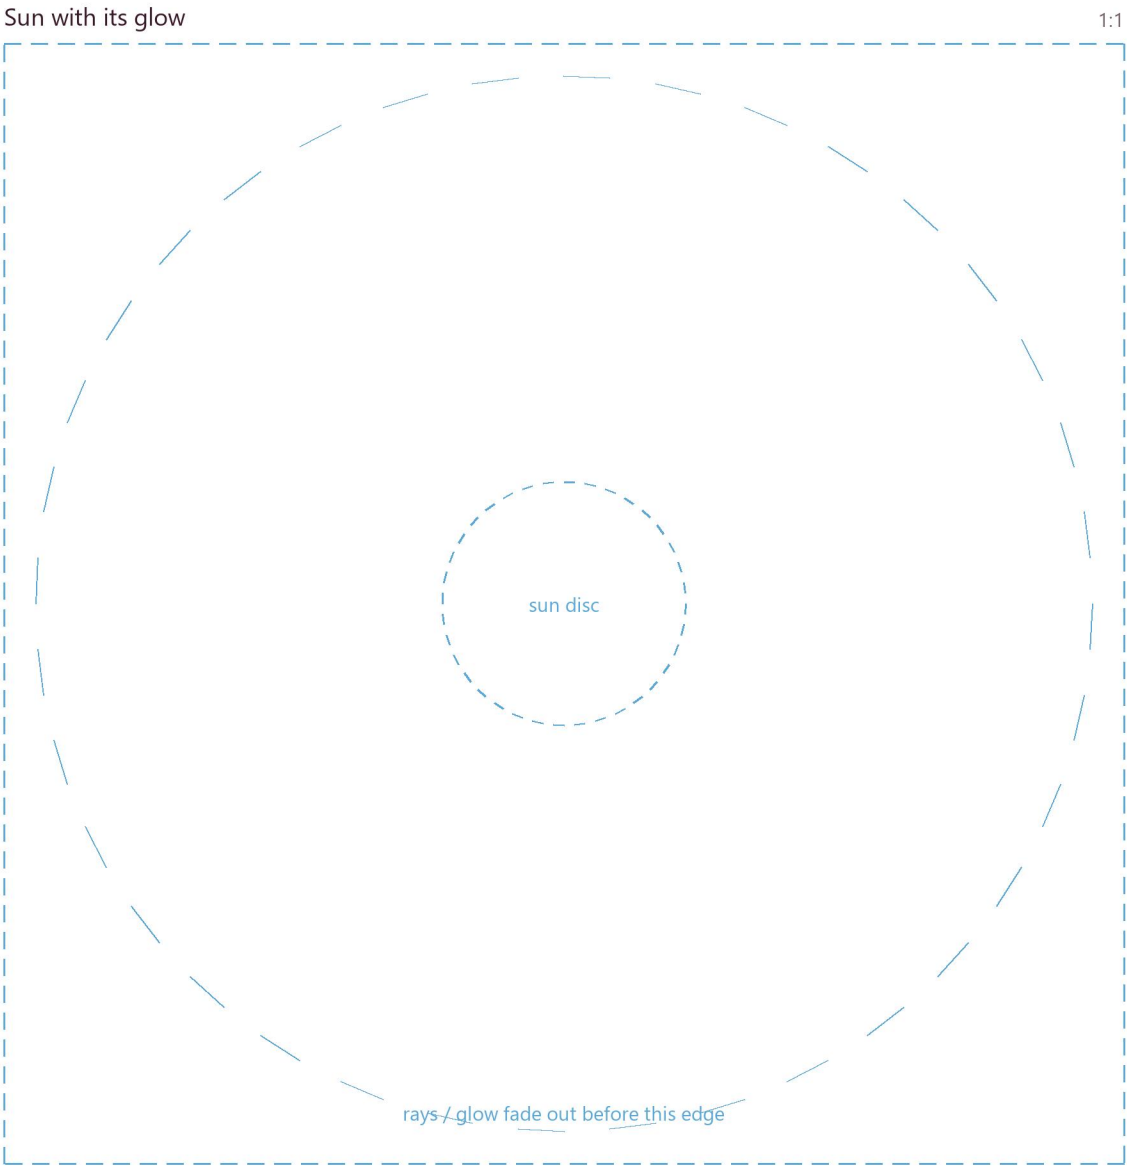

Four colour versions: golden, pale yellow, orange, deep red-orange. Box is 300 x 480 px (5:8).

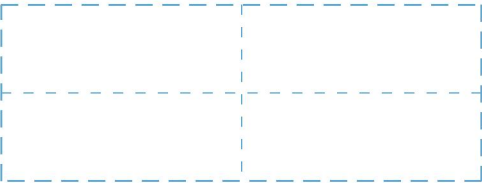

Sunny Garden

Page 2 / 6 - Sun and clouds

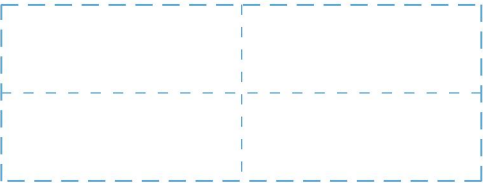

Sun: 700 x 700 px (square). Clouds: 300 x 110 px (about 11:4). Soft edges are great: they get placed on the sky.

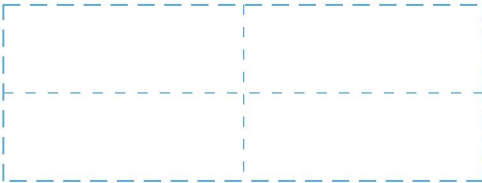

Cloud 1 300:110

Cloud 2 300:110

Cloud 3 300:110

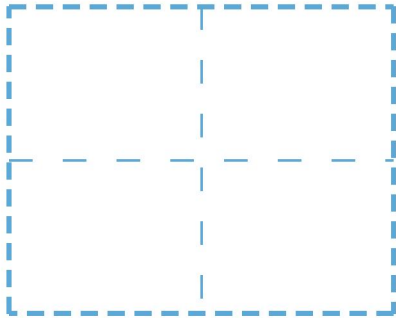

Sunny Garden

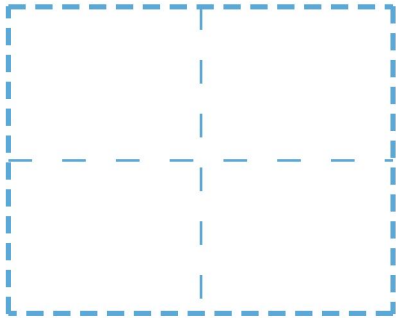

Page 3 / 6 - The little ones

Shown 6x bigger than they appear in the app, so there's room for detail. Wings are the key: draw two poses of each.

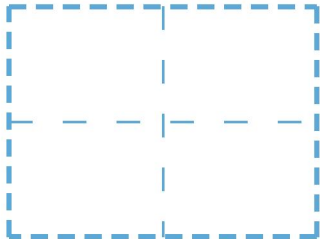

Butterfly - wings OPEN 5:4

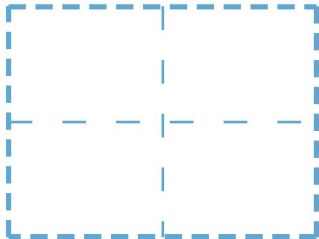

Butterfly - wings CLOSED 5:4

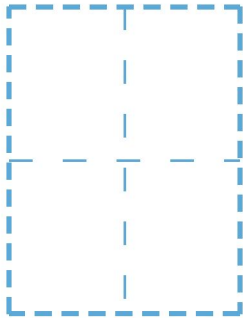

Bee - wings UP 4:3

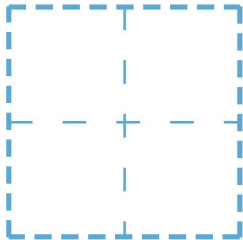

Bee - wings DOWN 4:3

Daisy 3:4

Grass tuft 1:1

Sunny Garden

Page 4 / 6 - Sky and hills

All three are the full width of the garden. Sky 1360 x 600 px, each hills strip 1360 x 300 px.

Sky1360:600

the sun, clouds and hills are placed on top of this

Far hills (softer, paler)1360:300

paint nothing above the hills: plain white paper becomes transparent

highest hilltop around here

Closer hills1360:300

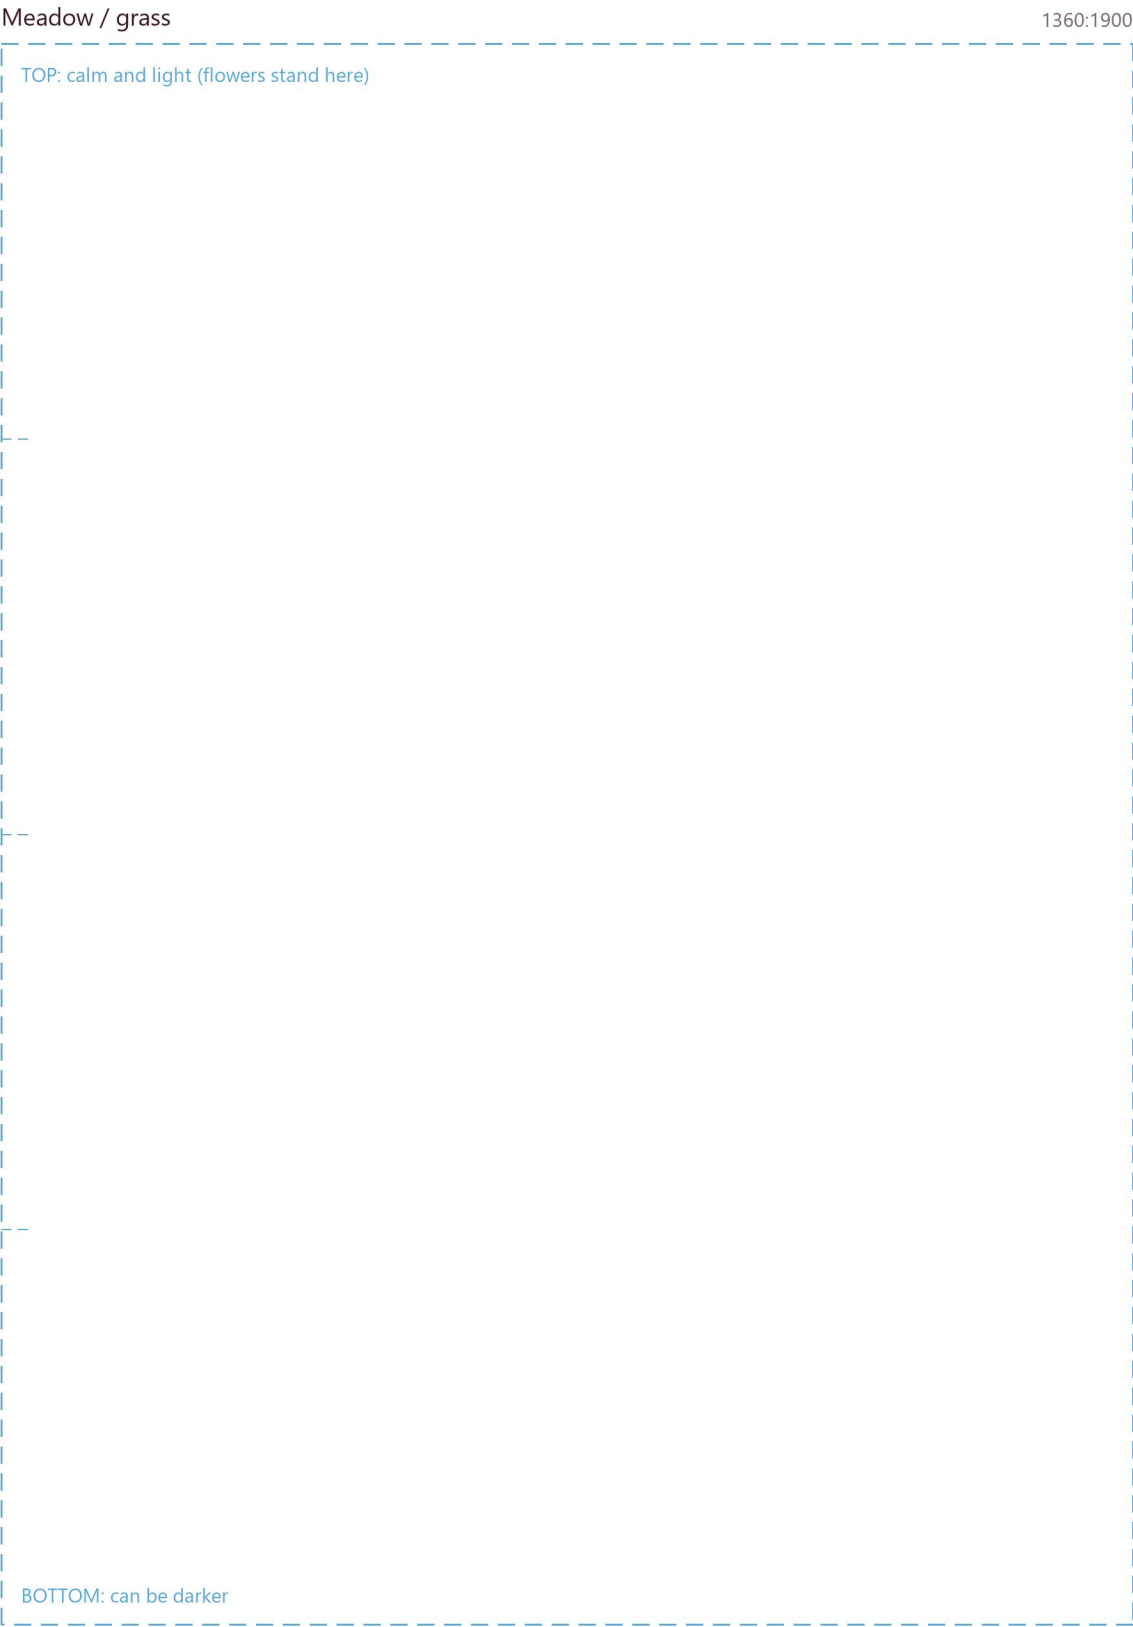

paint nothing above the hills: plain white paper becomes transparent

highest hilltop around here

Sunny Garden

Page 5 / 6 - The meadow

Tall on purpose: 1360 x 1900 px (about 5:7). It's cropped to fit, so avoid big details near the edges.

Sunny Garden

Page 6 / 6 - Option: the whole landscape as ONE painting

1360 x 2500 px (about 11:20). Sky, hills and meadow in one go, with the sunflower area left empty. Sunflowers still go on page 1.
